

Export Digital Presence

PROJECT PROPOSAL & QUOTATION

01. EXECUTIVE SUMMARY

TEKA Coconut Company requires a premium digital presence to compete in the international export market. The goal is to create a website similar to industry leaders (e.g., Ceylon Helayo), focusing on trust, product quality, and international trade inquiries.

This proposal outlines a **Premium "Dark Mode" Export Website** that highlights the luxury nature of your coconut products while maintaining a modern, professional aesthetic suitable for a Colombo 07 business entity.

02. TECHNICAL SCOPE

A. Premium UI/UX Design

- **Visual Style:** "Black & Gold" luxury theme to represent high-quality export standards.
- **Responsive Architecture:** Fully mobile-compatible for international buyers.

- **Speed Optimization:** Built on Next.js/React technology for instant loading worldwide.

B. Core Functionalities

- **Product Catalog:** Dedicated sections for Coconut Oil, Desiccated Coconut, Coconut Milk, etc.
- **Certification Showcase:** Prominent display of ISO/Organic certifications.
- **Export Inquiry System:** "Request for Quotation" form connecting to WhatsApp/Email.
